SOUTHEASTERN LIFE MAKES NEW RECORD

Home Office Announces Success of Million in Month Campaign.

Greenville, Oct. 14.—The Southeastern Life Insurance company of Greenville has established a new record in this state. This company, which does business exclusively in South Carolina, has within the past thirty days placed more than a million dollars in new business on its books.

On the 14th of September the company decided to "make it a million in a month." The goal was passed this afternoon when reports showed that at least \$1,100,000 had been written.

Today is the tenth anniversary of the company's inception. It is also the tenth anniversary of the first policy ever written by the Southeastern.

The company has been located in Greenville and under the present management for about five years. During this time it has increased its business from approximately \$2,000,000 to \$8,000,000, not including all the business written this month.

Greenville county led in the million shape a triangle, bounded on the North by lands of J. F. and J. M. Evans, on the East by Orr Cotton Mills land, and on the West by road to the city of Anderson, which divides it from lot number two.

VI. Lot number five, containing 8.52 acres, more or less, bounded on the North by lands of Mrs. Nettie Burdine, on the East by street which divides it from lots three and two, on the South by lot sold to J. P. Catlett, and on the West by lot sold to J. P. Catlett.

VII. Lot number six, containing 3.88 acres, more or less, bounded on the North by street which divides the land from land sold to J. P. Catlett, on the East by street, and on the South and West by road from Orr Mills to Keys Spring.

VIII. That lot of land containing 10.20 acres, known as the Whitner land, lying on Whitner and Elynn Creeks, bounded by lands of Mrs. Nettie Burdine, Mrs. Althea Orr, Mrs. Kate R. Whitner, W. N. Webb, and Elynn's Creek and Whitner's Creek.

IX. All that certain lot, and storehouse thereon, situate at the corner of Greenville and Ella streets, in the city of Anderson, S. C., conveyed to R. F. Hall by S. E. Moore by deed dated 3 June, 1905, and recorded in clerk's office in deed book D D D, page 672.

X. That storehouse and lot situate on South Main Street, in the city of Anderson, beginning on South Main Street at the Northern corner of a lot owned by D. C. Brown, and running along the line of Main Street 26 feet 8 inches, more or less, to a corner, thence along the line of storehouse formerly owned by S. M. Orr parallel with the line of the lot formerly belonging to John O'Donnell's estate, now owned by D. C. Brown, 140 feet, more or less; thence to the corner of lot formerly owned by Hall and Welch, parallel with line on Main Street, 26 feet 8 inches, more or less, thence back to the beginning corner 140 feet, more or less.

Terms of sale, one-third cash; balance in one and two years, secured by the note of the purchaser and mortgage of the premises, with interest at eight per cent. per annum, with leave to purchaser to pay all cash. Purchaser to pay extra for papers and stamps.

M. L. Bonham, Trustee.

new business. The Columbia agency came second with upwards of \$250,000 in new business and the Anderson agency third with about \$225,000. The general agencies at Spartanburg, Greenwood, Florence, Waltherboro and Laurens all made creditable showings.

The Southeastern is the only old line life insurance company which writes all its policies in this state and which invests every cent of its money in this state. Life Insurance men here state that the record of more than a million dollars of new business in one month is far in excess of any triumph ever achieved by any other company doing business in South Carolina.

COMB SAGE TEA IN LIFELESS, GRAY HAIR

If Mixed with Sulphur it Darkens so Naturally Nobody can Tell.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time remedy to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.

We are recommending our 10-1-0 and 10-2-0 and 10-2-½-0 for wheat and oats this fall when you sow it.

This will give it stalk and grains in the head, and that it what you want in grain. If you will sow five acres in wheat and five in oats this fall, after preparing the land well and fertilizing it well with either of these goods, you will find it advantageous. The 10-2-½-0 is an especially fine goods for grain. Let us hear from you.

Chronic Constipation.
"About two years ago when I began using Chamberlain's Tablets I had been suffering for some time with stomach trouble and chronic constipation. My condition improved rapidly through the use of these tablets. Since taking four or five bottles of them my health has been fine," writes Mrs. John Newton, Irving, N. Y. For sale by all dealers.

Calomel WHEN BILIOUS? NO! STOP! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tonic" is Harmless To Clean Your Stomach Liver and Bowels.

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work.

Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crashes into it, breaking it up. This is when you feel that awful nausea and "griping" out. If your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tonic tonight on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tonic. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tonic is destroying the sale of calomel because it is real liver medicine; and only vegetable, therefore it can not salivate or make you sick.

I guarantee that one spoonful of Dodson's Liver Tonic will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is stopping your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tonic will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.
